

November 9, 2020

Notice of Transmission Discount Effective 1/1/2021 – 12/31/2023

Versant Power will offer discounted Schedule 7 and/or 8 charges for calendar years 2021-2023 at the rate of \$1,151.67 per MW-Month for all local transmission paths in both its Maine Public and Bangor Hydro Districts.

Versant Power offers this discounted rate in accordance with FERC policy (see, e.g., Order No. 888-A, FERC Stats. & Regs. ¶ 31,048 at 30,275) for the following schedules under its transmission tariffs: (i) Schedules 7-VP and 8-VP under Schedule 21-VP of the ISO New England Inc. Open Access Transmission Tariff and (ii) Schedules 7-VP and 8-VP under the Versant Power Open Access Transmission Tariff for Maine Public District.
