

Pre-Application Report Request
Generating Facilities 100 kW and Above

A Pre-Application Report may be requested by potential applicants developing projects 500kW in size and greater. The report provides applicants known information about system conditions at a proposed Point of Common Coupling.

Once complete, please include your **\$300.00** processing fee and mail to the following address:

Versant Distributed Generation
PO BOX 16005
LEWISTON ME 04243-9582
(Make check payable to: Versant Power)

In requesting a Pre-Application Report, a potential Applicant understands that:

- a. The existence of "Available Capacity" in no way implies that an interconnection up to this level may be completed without impacts since there are many variables studied as part of the interconnection review process.
- b. The distribution system is dynamic and subject to change.
- c. Data provided in the Pre-Application Report may become outdated and not useful at the time of submission of the complete Interconnection Request.
